

Anti-Corruption Save Our Nation Lyrics (directly transcribed from 2006 winning song)

Calling our beloved nation
Calling all to honesty,
Calling our beloved country to respect integrity

Save our Nation, Save Our Nation
O' God, save us We pray!
Save our Nation, Save Our Nation
O' God, save us We pray!

Let us fight against corruption
Let us fight it to the nail
Let us stop this ugly evil
Stand together and never fail

Rise up mothers
Rise up fathers
Rise up, Children Today

Speak up mothers
Speak up, fathers
Speak up, Children Today

Rise up mothers
Rise up fathers
Rise up, Children Today

Speak up mothers

Speak up, fathers

Speak up, Children Today

Rise up mothers

Rise up fathers

Rise up, Children Today

Speak up mothers

Speak up, fathers

Speak up, Children Today

Let us fight against corruption

Let us fight it to the nail

Let us stop this ugly evil

Stand together and never fail

Save our Nation, Save Our Nation

O' God, save us We pray!

Save our Nation, Save Our Nation

O' God, save us We pray!

And let us rise up today

O' God, save us We pray!

And let us speak up today

O' God, save us We pray!
